

For current registration for Seminars and Training, please call the GAAR office.

We are now registering through Eventbrite on line services.

The Education Committee continues to provide 3 or 4 seminars throughout the year that carry CE and PL credits for renewing your license.

An annual Trade Show in the Spring will also be provided.

There will be at least 2 new member orientations each year. All new members are required to attend one of these sessions within their first year of membership.
