Take a look at the 2018 Affiliate Roster. If you are not seeing a company that you do business with on a regular basis, let us know or go ahead and contact them to see if they are interested in becoming an Affiliate member.

The GAAR Website has been updated with new Rosters, Committee Lists and Events for the most part. We are still working on a few.

We also remind everyone to use the Google Calendar on the website. We try to post all meetings on the calendar.

Committees have been busy already. Several met in December and others in the last few weeks.

We will announce programs and Community events as they are confirmed.
