The **GAAR website** has been updated with new Rosters and as always continue to check the **Google Calendar** for updates and syncing to your devices.

Committees are actively meeting and planning for the year. The Events schedule is also a PDF on the website.

Community Service is planning various drives and the Fall dinner for beneficiaries. Chosen for this year were Augusta Dog Adoptions and the Staunton-Augusta-Waynesboro Habitat for Humanity. We continue to drive for Verona Food Panty. You may drop off nonperishable foods at GAAR at any time. We will also be doing the Birthday bags later this year as well as a few other drives.

In addition to the education events listed on the PDF, we are planning **several GRI classes** with Harrisonburg and Massanutten Associations. More on these at a later time.

Trade Show is being planned for Wed. May 2 and the Committee will be sending out registration and admission information in a few weeks.

Heather is planning on at least 3 **Paragon classes**(maybe more). The first one being this Thursday. We will post as necessary.

GAAR had 15 members in attendance at the recent VR Economic Summit in Richmond. The meeting was informative and beneficial.
