Hello everyone! While we are teleworking from home and spending as little time as possible in the office, we want you to know we are still available if you need assistance, have questions or need help in any way. We are monitoring the phones and responding to emails as quickly as possible. We have been able to take in new members and handle transfers as necessary. While we have found it necessary to postpone committee meetings and events during this time, we plan to reschedule as soon as safe to do so. We will hold virtual meetings whenever possible and necessary.

TRADE SHOW scheduled for May 6 has now been postponed due to the Governor's recent Stay At Home Order. We will plan to have it later in the year. If you have already registered you will receive a refund. I will be contacting Vendors that have registered to discuss holding the table fee or refunding as you wish.

BROKER MEETING WITH THE BOARD OF DIRECTORS: We have postponed the Broker Breakfast meeting scheduled for April 30. We will make a decision later on either to have a virtual meeting or reschedule an in person breakfast.

NEW MEMBERS: Sabrina Williams-Long & Foster; Martha Lawrence-Premier Properties; Mallory Martin-Keller Williams Alliance; Russell Davis-Kline May Realty.

TRANSFERS: Sam Acord to Avenue Realty; Lori Kindig to Nest Realty; Eric Natale to Keller Williams Alliance; Lynn Wagner to Augusta Realty Group.

YPN Caring and Sharing virtual meet-up: Thursday, April 2 at 9:00 a.m. Chapter members received an email invite. If you want to join the YPN Chapter, just complete an application and submit to Heather gaar@lumos.net. The application is on the GAAR site under PDF's.

Community Service Committee drive for Birthday Bag items will continue through the next few months. If you want to collect items in your office, we can arrange to have them picked up and brought to the GAAR office once it is safe to travel about.

MLS Request: Please take a look at your "Partial Listings" in the system and remove any that are no longer relevant. There are quite a few that have not been deleted.

Paragon on line Webinars are available through the Paragon site. Go to the ? HELP icon in top right of your home screen. Then click on "Webinars" Icon to open up the calendar and you may register from there as well. These are webinars provided by Black Knight. I've also attached the April and May calendar to this email.

Heather will be conducting a virtual MLS Basic Session. New members are encouraged to attend. Look for her email later this week with the session details.

Note: www.virginiarealtors.org site has a lot of good information about the COVID-19 Addendum and other FAQ's. They are updating it often as new information becomes available.

We hope everyone stays safe and well during these unprecedented and trying days.
