Subject: November News and Notes

New Members: Roy Schneider to Blue Ridge Fine Properties and Amanda Freed to Westhills REALTORS.

New Affiliate: Roger West to Primary Residential Mortgage

Reminder: When entering Sold Information in a listing, Concessions should be the "Exact" Amount and not a rounded figure.

Reminder: Before allowing nonmember access, make two changes in your SupraWeb Account: Mark it for "Enable Nonmember Access" and mark it for "Agree to terms and conditions". You must do these two things before the steps for granting the access to a nonmember.

Next Meeting: Awards Lunch on Monday, January 28 at The Stonewall Jackson Hotel. Registration by Eventbrite will be sent out by end of December.

2019 REALTOR Dues due December 15 and delinquent if not paid by December 31. Please ask your Broker for your office deadline. Payments come to GAAR from the Broker. Also, Brokers, please remember to notify GAAR of any drops or transfers before December 31, preferably by December 15 due date. You may include RPAC for 2018 in the dues payment, but if you want to pay RPAC for 2019, you must wait until after January 1 and then the check is made payable to RPAC of Virginia rather than GAAR.

Affiliate 2019 dues are payable no later than January 1 to avoid late fees.

Community Service collecting items for **Birthday Bags for the Verona Food Pantry** through December 15. Needed: Cake mixes, icing, sprinkles, party favors, cups, plates, napkins. No toys or gifts for the birthday child. Also remember to bring **nonperishable foods to GAAR for the Verona Food Pantry** throughout the year. We suggest you bring an item or two each time you come to GAAR for a meeting or to the membership meetings.

Congrats to Dot White and Dave Brown for receiving the **REALTOR Emeritus** status from NAR. Granted to members with over 40 years' service and having history of service on local Committees. Dues will be waived for them going forward.

Congrats to 2019 Board of Directors installed yesterday. They will take office January 1.
