- RPAC of Virginia's financial support of state legislators resulted in a 2014 proposal adding fines of \$200 per day to businesses with signs in any public right of way being blocked and never introduced.
- RPAC of Virginia has created an environment in which policy makers know that Realtors® defend common sense business practices and the interests of our clients and customers...because of this, they listen.

WHAT WE NEED IS YOUR SUPPORT.

As important as it is to be involved in your local community, it is equally important that we, as REALTORS®, are involved at the state and federal levels of government as well.

By participating in RPAC, your voice is heard collectively with hundreds of thousands of your colleagues across the country. RPAC provides you a seat at the table. If you don't get involved, you may face the prospect of bad legislation or a new set of crippling regulations that can put you out of business.
