Broker/Admin/Staff, please let us know if you have had a change in Admin or Staff. They are listed under the Membership tab on Paragon when you search by office. Any agent can pull this for you or you can pull if you have Broker access. We can also run you a copy from our office if you need us to. This is important because we are paying Black Knight for all who have access even though GAAR does not bill for Admin/Staff that are not licensed. We do not want

to be paying for someone who is no longer with your office or may have become a REALTOR member.

Another reminder to anyone who has joined GAAR in the last year to stop by and pick up your Binder if you have not done so. Thanks in advance.

YPN invites everyone to join the GAAR YPN Chapter. No cost to join. No age restriction. Application is on the GAAR site and available at the GAAR office.
