MLS: Paragon has launched Collaboration Center Academy. [Collaboration Center Academy \(licenseschool.com\)](https://www.collaborationcenteracademy.com) The Collaboration Academy goes through all of the ins and outs of Paragon's customer-interaction platform. This course uses the same learning platform as the flagship certification, Paragon Academy.

Mark your Calendars: Installation will be held on Thursday, November 18. We will be sending out registration information at a later date. Unknown at this time if it will be in person or by virtual platform.

Ethics Class 2019-2021: Please remember to send us your certification or email confirmation on Ethics Class taken 2019-2021. We will then update the M1 NAR database with the information. December 31, 2021 is the end of this current period. If you are a new member, you must take this class by 12/31/21 even if your license is not up for renewal by that date. If you are a continuing member (Not new) you probably took the class as part of your last license renewal. Just remember to send us the verification.
